“ *I just found out about Glenda's passing. I worked with Glenda at the Resources and Planning Department at the base for several years back in the late 1970's/early 80's. Some of the best years in my career. Such a great group... we went skiing together and enjoyed other get togethers. Just like family. Glenda was so very warm and caring and such a hard working professional. Ronnie, Robin and Drew, so very sorry for your loss. I am so very blessed to have worked with Glenda and spent time with such a wonderful family. I've attached a picture of our group back in the day... I took the picture so I am not in it. God Bless!*

“ *Glennie is my sister. I'm sorry I was unable to attend the services. She was a huge part of our family. All of our family. I loved my sister more than I can say. I will miss her dearly. Robin and Andy, I know you know she loved you than words can ever express. Ronnie you have lost your life partner and your best friend. I know how that feels. I felt that when PJ died. It will get easier with time. Until then, may the lord hold you and kids in palm of his hands and give you the support you need. Love, Beanie*
