“ *I am so sorry that I just found out about Gloria's passing. She and I were friendly co-workers at Saks Fifth Avenue. We both loved the opera and dining out. I had so many wonderful times with Gloria. I also have a silver ring that she gave me one year for my birthday. I treasured it then and I treasure it now. Goodbye, dear friend, until we meet again.*

“ *I will forever remember our dear Gloria wearing her elbow length opera gloves making sure the counter displays were perfect...all the while singing one of her favorite songs. Gloria was a one of a kind character and always perfectly dressed and adorned. I loved her and I will miss her forever! Thank you for the many memories.*
