“ *I will miss visiting Gloria when I come East. My cousin Peggy and I always included her in our trip to see the relatives. She was a fun person and we enjoyed going out for crabs and to the Olive Garden. Mostly I would like to say how wonderful she was to my brother, her husband Ronnie, during his last years. She will be missed by all who knew her.*

“ *I am so sorry to hear the sad news. I was Miss Fire Prevention in 1963 and Gloria placed the crown on my head after the announcement was made. I work at the Nanjemoy Community Center and Gloria's sister, Margaret, brought Gloria to a couple of our events. It was really nice to see her again after all those years. My thoughts and prayers will be with her family during this really difficult time.*

“ *Aunt Gloria, you will be truly missed. You were always full of laughs and gum! One of my memories of you are getting a card in the mail from you for my birthday and always had one stick of gum in it. My kids always enjoyed their outings with you and Mom, to eating out, feeding the ducks or just shopping. Please give a huge hug to Mom for me. I know you two will be back to your old tricks up there! This is our last picture together and we were at Moms Celebration of life in August 2020. Love Pam*
