“ Mom, you were always there when I needed you and you had such a great heart. Im going to miss our Rides together when we would just drive in my truck and had no clue where we were going and take roads we never had been on. But we always ended up at somewhere that we knew. You loved those country back roads with the old farm houses, I'm gonna miss my time spent with you but most of all I just miss you !! I love you Mom❤️❤️💔

I will always cherish the memories of our childhood visits to your house with mom and Tom. You always made me feel welcome and made sure I knew I could come over any time I wanted. Rest in peace. Youre back with Tom and my mamma now. Until we meet again. Peggy.
