“ *Greg was a guy I knew from Junior Highschool through graduation and Boy Scouts. We kept up with each other through Facebook and meetings when I passed through Maryland. He has a quick smile and was always easy to talk to. May he rest in peace with our Maker.*

“ Sympathies to Peggy and all of Greg’s family. Greg was unique. I enjoyed working with him selling regulatory compliance to government agencies. He knew so many people in the government and military that making sales calls with him was always a treat! Rest In Peace my friend.

“ Greg or fondly known as "Mr. Peggy", was a strong willed and very compassionate man, that helped guide so many of us in the Maryland Jaycees, with his quick Humor, Wit, and advice. His many years of service to others made him the caring loving and devoted Husband, father, and friend to so many of us. Greg will be missed here on earth, but remembered forever through the fond memories that he impressed onto everyone he met. Rest in peace my friend till we are united again.

*I have known Greg and Peggy for about 35 years when we were both involved in the Jaycees. I used to see Greg when he was awake and walking around the lobby of hotels at state board meetings and he was rehearsing his speeches for speak up. Greg will be missed by many. My condolences go to Peggy and your family. May he rest in peace.*
