“ *The years of the Merchants Softball Team. He was a dedicated and passionate coach and a great family man. He helped start the 12 & under Merchants team back in 1996. I remember the 2-a-days of indoor practice with base running 101 and "soft hands". Gus, along with Mr. Ruest and Mr. Stickle, helped teach our little group the fundamentals of softball that would carry over year after year. Since he is such a Family man and so close to his kids, I got to see him throughout the 20 plus years at Jamea's bowling leagues, cookouts, or family parties and he was always the same gentle, understanding, caring man as I knew him back on the softball field. What a great man who touched so many people's lives. I appreciate the time he took out of his life to help shape my life. He will surely be missed.*
