Dad...I don't really know what to say right now except, it just doesn't seem real you are gone. Until we meet again, you will be missed, I love you and always will.

Susie and Tina, so sorry for your loss. I lost my dad in 2005 and my mom in 2012 but no one can take away the precious memories of them. I only met your dad a few times but you could tell he loved his family and was happy.
