“ Harry was a pleasant and knowledgeable gentleman. He accompanied his wife, Millie, to our Cove Point Natural Heritage Trust (CPNHT) meetings for years and we got to know him well. He will be missed by all of us at CPNHT, and I'm sure by everyone who knew him. Karen and Norman Meadow

Millie and family... my thoughts and prayers are with you at this difficult time. Harry was quite a character and I admired his vast knowledge, dedication to community and the Kiwanis family, and his support to the club we tried hard to keep going. I hope your memories of all your years together give you comfort and peace as you go thru this final journey with Harry.
