“ *I will miss Buzzy after having him in my life as a friend since 1971. We were involved for a short time and remained friends. I miss not being able to call him and just speak about past events that happened in both of our lives. I miss he memories of Waldorf and happy I was able to see him last month. He was Always positive when every he answered the phone no matter how bad he may have felt. I have a close feeling for his family and also for Bonnie's family. God Bless his family.

of him and the whole wonderful Nutwell family. He had the most
wonderful voice and was a big part of my life. He had a strong faith
