“ Harry was a friend, a neighbor, a fire protector and more. He and Audrey were great role models for all those around them. They raised a great family. They were there for family and friends when needed. He taught so many young minds how to develop skills to have jobs and succeed in this world. I have benches on my yard, to this day that were made by him and his students over 40 years or more ago.

He was a gentle giant. I know he will be missed.

My heart and prayers are with his family and friends. I thank the Accokeek Fire Department for his Celebration of Life. A donation in Rays memory will be sent to the AVFD. May God bless all of you.
