“ This is for Grandpa Bucky, I just want to say Thank you, for loving and being so kind to my mom. You were always there for her and you made her very happy. I also want to thank you for opening your heart to our family and being there for each and every one of us. A grandpa to our little ones and a good friend to the rest of us. You never missed our celebrations no matter if it was a baby being born, birthdays, graduations, family reunions etc. you even pulled your boot straps up and went for the sonogram when we found out our first grandchild was a boy :) we love you very much and you will truly be missed :(You are now in a better place and will never hurt again.

P.S. I know some of the baby showers you just came for the CAKE !!!!!!!

Love you Grandpa Bucky Lisa Rose

I always thought Uncle Bucky was the coolest because of the way he rolled a pack of smokes in his white tee shirts sleeve. He was admired for his coolness. ❤️

I send prayers to all of our family & especially to Uncle Bucky's children. 🙏🙏🙏
