“ *Just recently learned of Henry's passing and am very sad for his family. I worked with Henry when I started with State Farm all those years ago. To say that Henry imparted some really sound advice to me regarding my financial future, would be the understatement of the last 30 years. He literally changed my life and I'm sorry I wasn't able to tell him so. My thoughts and sympathy are with Lynne and his loved ones.*

My sincere sympathies for Henry. My Mother, though deceased for 30 years, Bette McNey, worked with him for many, many years. May he rest in peace. Prayers to all of the family.

Lynne: I loved working with you and Henry all those years but knew him long before that, when my brother married his sister. He had a terrific sense of humor and had many stories to tell that would make everyone laugh. Everyone knows he was madly in love with you. Henry liked to give his friends nicknames. I will never forget the man I called "Hermie". He touched so many lives and will be greatly missed. Our most sincere condolences to you and all the family.
