“ Henry was a co-worker of mine in the Dahlgren Calibration Laboratory. He was always polite and gentle yet he had a fantastic sense of humor. His skills have been greatly missed since he "retired". His passing is a great loss to us all. My prayers and the prayers of everyone at the Dahlgren Calibration Laboratory are with you. God Bless - Lori Furjes.

“ *Henry was once my boss and more so, a mentor for seven years. But a good friend for over forty years. He was the most truthful, polite and nicest person I have ever known. He made any event whether work, fishing, shooting, four wheeling or just chatting a special thing. He will will be greatly missed.*

“ *What a wonderful man. He deserves a lot of respect and love for loving Linda and her children over many years. Quiet, unassuming but really quite funny. Just a prince of man who will be missed. John & Robin Canter*
