“ I had the privilege of working with Hank for over thirty years. One of the most dedicated person I had the pleasure of working with. He carded about his family and his work. Always had a way of making me laugh with his quick wit. A friend to all who came into contact with him. Hank will be missed greatly. But never forgotten!!! Till then my friend.

“ Hank Dent may you Rest In Peace. May God comfort and keep Beth and the children close as they mourn your loss. Although many years have passed, Michael Ryan and I will be there to help Beth and the children through the path in front of them. It will be hard for your family without you, but you have left them with love and memories. May you soar with the angels...

“ Hank was one of the best workers I ever met! Truly a hard worker with a get it done attitude. Always willing to help anyone (even dumb engineers). But I will remember Hank with his quick wit and humorous remarks as I was often a victim but in a good way. No one was immune to his impromptu jabs! Rest in peace Hank and as you always said in parting ... Til! Then!

“ Hank was the father of my beloved grand children (Hank and Amber). We both were in the same Department, Test and Evaluation (30), at NSWC/IHDIV , Indian Head, Md. and worked just across the road from each other for more than 20 years. We kept in touch through his children and my grand children, had Christmas and Thanksgiving dinner at his house on several occasions. Hank will be missed by all that knew him.

God Bless the entire Dent Family.
