“ Vinny and the parents of Holden. Were distance not involved I would stand along side of you as you grieve a loss of one so young, pure and innocent. He will live forever in your hearts and minds along with all the dreams of "what if" but along with the grief of his loss. As I look at his face, laughing eyes and great smile I wonder why as well as you? A question we'll never know the answer to in this world, but I do believe there is a grand scheme beyond my simple mind to understand.

My heart, prayers and thoughts are with you all through this tragic loss.

God Bless
