“ Jester, we met when you had long wild hair, a bit thin, & relatively new to the club. You'd just started seeing Mandy. Next thing I know is you & she asking me to do your wedding ceremony. All of it doesn't seem that long ago but are good memories for me.

Through out the years I saw you become the man you became; a great husband, excellent father, & a great brother.

Watch over Mandy & the kids....I know you will. You'll be greatly missed my little brother.

Love & Respect,

“ Eddie. You were a good man. A good husband, father and brother. So quick witted and never at a loss for turning something innocent into something naughty lol. I'll miss ya. Rest in Heaven. Watch over your wife, children, grandchildren and the rest of your family.
