“ We have some wonderful memories of good times, picnics, dinners in and around Waldorf, and just plain fun in the Washington and Maryland area with Hubert. While, I had collected a few trains and would talk about them, Hubert had a train store and more! Hubert was a great train expert. Hubert had a real passion for Lionel trains and I watched in amazement his joy for the details of his trains. He had them compiled and logged by type, date, style, etc. He was a good man and good friend. He will be missed. I know he loved his family, and I know, my wife Connie, one of his sisters, will miss him, and I will miss a very unique and great brother-in-law. Grace and Peace,
