“ Iris was as beautiful as the flower she was named for. The name Iris symbolizes strength and hope, both strong traits that she held. She was the strongest woman I ever had the honor to meet having endured more than the average amount of trials and tribulations. She will always be remembered for her strength, dignity, perseverance, beauty and love for others and her dogs. She always put others needs first and clearly earned her Angel wings. She will be rewarded in Heaven for her thoughtfulness and love for others. Please watch over your husband Frank, sons Mike and Jim and Lisa, grandchildren Christina, Gina and Joey and great grandson Noah. Everyone will make sure he knows all about his great grandmother. Ti Amo ❤️🙏 RIP, Donna H.
