“ *Catori there is no words that can explain how you are feeling or take your pain away, except time. We are so sorry that your days with Iyla was short. Our heart and prayer goes out to you and your family. Iyla was definitely a beautiful baby girl. She was the first newborn baby I have held, I'll never forget that moment. I remember watching Iyla during the ultrasound with you and your mom. We saw Iyla's personality and couldn't wait to meet her. When my husband and I met Iyla the day after she was born, she was just as I expected, precious and beautiful. She will be missed.*
