“ I was getting to know Jack well with all the many long talks we had. We had talked for over 3 hours early Saturday morning. I enjoyed the talks we had. I am truly sorry for your family and friends loss. If Denise and I knew when the funeral was going to be we would have been there. We just found out this morning at 9:00 a.m. and we live in Harrisonburg, Va. so of course we didn't have time to get there or send flowers. Jack rest in peace You are truly missed and loved by many.

“ I first meet Jack at a pool (Billiards) hall in well i think it was (2004) . We both loved shooting the game of pool and were very competitive towards each other in the (game of eight ball) . I know jacks dad understands this because jack told me "several times" how good his (Dad) was at shooting pool . So one day jack and i decided to join a pool league together playing the game of eight ball .I distinctly remember this because we were so scared These people looked like pros with all there pool stiks and cases . Well needless to say in the end it was jack and i shooting each other for the championship money and oh yes by the way he won . From then on we were inseperable . I Love You Jack , God Bless You and your Family From Taylor and Wayne Luckel .
