“ *I'm so sorry for your loss. I wish I could attend the funeral, but I have moved out of the area.*

Jackie was my instructional aide for several years at the LLC. She took on the beginning ESOL students when many others were afraid to try. She worked with me with diligence and patience to teach adults to read and write who had never gone to school. She truly made a difference in many students' lives. And we weren't only a team in the classroom, she became my friend.

Jackie's family is in my thoughts and prayers.
