“ *Jimmy and I grew up together in La Plata. He and I attended Archbishop Neale School and were in the Boy Scouts for several years. We lived near each other and got together often (almost daily). I remember a time when Jimmy and I were riding our bicycles and accompanying Bobby Kendig on his paper route. As we were near the intersection of Routes 301 and 225, we saw an automobile accident. We went over and helped to remove one of the victims from the vehicle. This made the local newspaper (I do have the clipping). Jimmy and his grandmother with whom he lived were very helpful to me after the passing of my mother in June 1962. After graduating from high school, I moved out of the area and Jimmy seemed to have lost contact. I later learned that he was living in Westminster and I had the opportunity to visit him on a couple of occasions. I have many fond memories of our times together in La Plata. God bless and may you rest in peace my friend.*

“ We shared many a breakfast with Jim at Denny's in Westminster over the past 20 years or so. Also, we were pleased that we were able to be with Jim at least for a short time on the day before his death. Our prayers go out for Jim and to all of his family. May he rest in peace in the loving arms of our Lord. In gratitude for his friendship and the opportunity to journey with him during the twilight years of his life. Dick & Martha Horwitt
