“ *Condolence to his sons & sisters from Barry & Carol. Jimmy Bartlett visited my son Barry & I in Florida four years ago after 30 years. It was so good to see him, how well he had done & hear about his beautiful sons. He always held a special place in our hearts.*

“ *My daughter wrote this after I found out the news...*

Tears ran from her face, I asked her "what was bothering her" she said nothing and just sat in sorrow then she murmured "Mr. Bartlett died alone at home" and continued to cry until her eyes were dry with no tears left to cry and I just wondered...why he had to die. Now, I realize I'm celebrating his life and the time he spent with us because the trumpets sounded and it was time for him to go home "just another Angel in Heaven" I say.....and try to have the strength to carry on through my day.....

Dear Mr. Bartlett

If you're looking down on me watching me write this note just for you, you always came through with helping my mom and.....me too. This will never express my gratitude I have for you but with all my heart....Thank You and I Love you.

“ *Our paths crossed 9 years ago...and what's the likelihood that (we) being so opposite would become Best Friends...I am forever grateful to you for all the lessons you taught me, for always listening and never judging, for always having my back, for always making me laugh with those sometimes funny and other times not so funny jokes, for that dry sense of humor, for always telling me what books to read next, for the nature walks out back, for the long rides and all the stories you had, you knew (everything about everything) a walking encyclopedia...if I needed to know something, I didnt have to use Google...I would just call Jimmy!!!*

You are and will remain in my heart Forever... I'm so.....honored that God allowed us to meet!!! I know you are soaring and telling those dry jokes to the angels in Heaven 😊 rest in peace, until we meet again my friend, I Love you Jimmy!!!! Your Girl-Shellie.

To Jimmy, Mason and Carson- My Deepest and Heart felt Condolences. I pray that God gives you boys peace as you grieve the loss of your father and also rejoice in knowing that he is free from his pain and his spirit is free.....Your Dad was a Phenomenal Guy!!!! and was truely loved by many.

“ *I met Jimmy thru his sister Bobbi, although we did not have long to chat at his sisters, I felt a warm and gentle individual and a loving father. He will be missed by all who came in touch with him. God tends to his sheep with mercy.*

I met your dad back in 1992, i spent many hours of nice conversation during those days I spent at your house with my kids , he was such a great person and a loving father, I will always remember him on his back yard riding on his track , and also those times when he was doing his wood business , great memories in your house 28 years ago , not long ago we were sharing some texts and talking about those days , I will always remember him .. He is now in the glory of our lord

Dennis and I were just talking about your dad and your family yesterday with some new neighbors in Frederick. I was telling her the time I brought ice cream cone cupcakes to the soccer game as snack after the game. Your dad wondered how they didn't melt during the game as he didn't know they were cupcakes. We told stories of the time all of us went to my parents cottage in Michigan. Your dad gave Coach Dennis a title for being the one who baited all the hooks when we were out fishing. We didn't know at that time that your dad died. We just received a phone call at 9:45 tonight from Jeff as he found out on Facebook. Our hearts are sad and we will keep all of you in thought and prayers. May he rest in peace. Love, Ms.Denise and Coach Dennis
