“ To the family of Jim Black; Theresa and I would like to express our deepest condolences and prayers to you at this trying time. Jim was the acting chief of the branch I first worked at as a NISC employee in August, 1986. He immediately became my mentor along with Bill Hume, Barb Cheeseman, Carol Smith and Pat Steger. I learned quite a bit from Jim as he guided me through the early days. He helped me compile my first publication as an analyst and gave me pep talks and encouragement as my career went forward. Many years later, I used his expertise on various items now as a senior intelligence analyst. As former sailors, we were able to look out for each other like true shipmates. I respected his professionalism and work ethic which made me into the man I am today. Jim, buddy, I am going to miss you not just as an excellent analyst but as a true Christian. This I will sincerely always remember you most of all.. You are being well cared for now in the hands of the great commander and I look forward to seeing you there one day. God bless, take care, and remember Jim, I'm still taking out those tax deductions you used to hound me about. God Speed, James Black, Your friends in Christ, Theresa and Galen Knode

“ I knew Jim when he worked for the Dept of the Navy as-well-as when he worked for WSI. Jim was a kind and gentle soul, always willing to help at a minutes notice. He was a wonderful person and a joy to work with. He is going to be missed by all.
