“ My parents Dwight & Marilyn Sargent kept in touch with Gene all these years. They had in fact gotten a Christmas card from him, and didn't know he'd passed until Mom saw deed transfer in local paper. Gene stopped to see my folks on his trips home. I remember a family trip to DC about 45 yrs ago, when he not only visited us at the campground, but I think took us sightseeing. My Dad had stood up with Gene at his wedding. My condolences to the family.

“ Wonderful neighbor and so easy to get along with. Both of us worked together on several county issues and won - especially the drain pipe to curb that was blocked when 20th Street was repaved. They came back and replaced it. He will really be missed!
