*Danny, Patti, Stacey, Candy and Families,
We were so lucky to have known the love and affection your dad gave to us and to our dad. He visited our dad every month without fail, he always called me afterwards. My dad and your dad compared who had the baldest head, they always made each other laugh.
He will be missed.
Please let us know if we can do anything for you.
All our love,
Vicki, Sharon, Bryan, Steven, Betty Colona and families.*
