“ To Tommy, Ann, and the whole Farrell family, I know I speak for all the members of Marlboro Moose and especially the Texas Hold 'em players when I say Jimmy was loved by all and will really be missed. I know this because over the years if Jimmy was sick, in the hospital or just taking time off from poker, the first thing people asked me when I arrived at the game was, "Have you heard anything about Jimmy." I remember visiting him at Doctor's Hospital in Lanham a couple years ago. I took him a deck of playing cards and told him they were so he wouldn't get out of practice. My condolences go out to the family. Jimmy was a great guy. May he rest in peace.

“ My heart goes out to you all... I know Uncle Jimmy will sadly be missed... I use to love hearing his stories about his child hood... I have a red shirt that he gave me when him and my mom were in Michigan visiting Aunt Jean and Uncle Chuck a few years ago and my husband and I went there to visit... I will treasure that shirt always... I know he is with my beautiful Mother, Aunt Jean and uncle Sammy, They are all together once again... My thought's and prayers are with you all...
