“ You are my heart ❤️ my 🌍 my best friend, my prince. You took the worst of me and still loved me. You taught me patience, responsibility, and how to be the queen of your world, I have been your best friend. While we didn't always have a lot, we did have a once in a lifetime love. I am missing you, I have no reason to laugh no reason to smile. However, I know we will be together again this is just a short vacation apart. I love you to the moon and back and can't wait to be with you again.
