“ We had so much fun through the years vacationing with Jim and Rhonda. We were always a little more tech savvy when it came to computers, gps systems, cameras and of course anything Harley. Jim was a wonderful cook and always made sure everyone had more than enough. You knew Jim was a smart man because of his choice in his forever love, his beautiful and sweet wife Rhonda. As for his fur babies, well he can definitely rest assured they will be well cared for and loved. Sorry he left so soon but thankful he will suffer no more. He will be missed.
