“ *Donna, I just heard of your loss. My heart feels for you and the family. I never got to meet him, but Donna you always talked about him with loving thoughts and praise. He will surely be missed by many. God knew he was the man for you, but now it is time for him to sleep. Don't cry or be sad, because the time you had was great and joyful. Just remember that better things will come when you meet again. Love Mary Ann Gouge friend across the street from Margaret Goodwin.*
