

James Edward Newman

December 17, 1953 - October 7, 2020

James (Jimmy) Edward Newman Sr., age 66, passed away unexpectedly from health complications on Wednesday, October 7th, 2020 at Washington Hospital Center in Washington, D.C. (He hated that place). He was born December 17th, 1953, in Riverdale, MD to M.L. Newman and Mary Frances (Dixon) Newman. He met the love of his life Darlene (Jessie) Newman in 1977, and was married on March 31st, 1997, in Leonardtown, MD. He worked as a Concrete Construction Foreman and Mechanic, for Miller and Long Concrete Construction Company (He loved his work family as much as he loved his own). He was good with his hands and had a knack for trouble shooting any mechanical problem that came about. Jimmy loved life, he truly enjoyed the simple things (Like a triple decker Peanut Butter and Jelly, that's life). His family and friends were his everything, he would give the shirt off of his back for anyone he met. There wasn't a time that he would turn down a request for help, and he never showed a bit of frustration, he was always there for everyone. Best time spent for him was eating, chatting, working on cars/lawn equipment and spending time with the ones he treasured the most. Jimmy had a profound effect on many individuals and stepped into many fathers' shoes for some who didn't have that type of role model. He was ready and willing to teach anyone how to turn a wrench or drive a car. He is survived by his wife, Darlene; a sister Susan Coakley; a son James (Lisa) Newman Jr.; daughters: Jessica (Tim) Dych, Jordan Newman, Gina Holroyd; Birthday Twin Jena Litten; Grandchildren: Christopher Newman, Aydin Newman, Collin

Dych, Jocelyn Dych, Matthew Hodges Jr., Laura Holroyd, Bradley Hall Jr., and Leianna Hall; Great Grandchildren Jenai Holroyd, Kristyl Green, and King Green; and many other nieces and nephews.

Jimmy was a good man and loved by many. He will be missed profoundly. A celebration of life will be held privately.

“ *My Pop-Pop was the best man in the world to me! He taught me so much! When I was upset he would make me laugh, when I was in trouble, he never judged me but definitely corrected me, when I needed a shoulder to lean on he was there, when I got sick while I was pregnant he was the first person I saw when I opened my eyes he said "give me your hand babygirl it's gonna be ok", to me he was a soldier, to me him and my memaw was my heroes! They always rescued me and forever and always I will appreciate them for that. It's so hard knowing he's gone but I pray he is at peace and I pray for my family to pull closer together 🙏*

“ Remembering way back in the 70s when Jimmy started seeing my sister Darlene. He was bound and determined to spend his life with her. He loved her completely. I'm so glad he did, and he became unanimously a part of our family. He gave his all to his kids and his grands. He will forever be engraved in their hearts and souls, not just because of the title of Dad and Pop Pop, but because he served those roles lovingly and honestly, a real hands on type of parent. I'm really thankful for the many times he stepped in for my sons. He filled in the blanks for them so many times, they love him dearly; so do I. Jimmy has done so much for all of us. He's helped us all to see what a good heart really is. He reminded us that giving is far more rewarding than receiving. He showed us how loyalty gives you the real satisfactions in life. I've never met or heard of anyone that didn't like Jimmy. He was just that kind of guy, never boasting or wanting to stand in the front, but always ended up shining from the back. KEEP ON SHUNNING JIMMY ❤️ Rest in Peace my brother and my friend

“ Me and Jimmy were cousins we spent a lot of time together when we were young I remember so many things we did together there was so many times we use to hop on the freight train that ran from his house past college park airport to watch planes take off we rode mini bikes and spent most of our summer together when I was around 15 I spent a lot of time at his house after he moved to Shadyside we went swimming almost every day so many memories of our childhood we lost touch some years ago but I thought about him often lots of good times together he will be missed RIP JIMMY
