“ Our beloved Jimmy will always be in our hearts and the hearts of Nicholas and Nicole, their mother, Debbie, sisters/brother in law, Linda, Barbara, Art, niece, Amber and grandchildren, Aryanah and Alex, and many, many others. He was a very special, unique, and extraordinary person. He had a fast wit about him and could bring a smile to your face in the worst of circumstances. Jimmy could light up a room with his upbeat personality, that boyish smile and those twinkling eyes! He was polite, thoughtful and giving and he was a son and family member to us since coming into our lives some 30 years ago. We all are blessed and grateful to have had him in our lives for all these years and we will forever have our memories of this extraordinary, kind, and sharing individual. He will truly be missed.

“ *My heart breaks for your family Jimmy. I know how much you are loved by them. My family has always loved you as I'm sure you're already aware of. Im glad My Mom and Denise were there to greet you. I want to thank you for all of the happy memories I have with you. Your family was my family for a good while. I still will think of them often. I saddened that you and aren't going to have that conversation you asked me for to catch up on how each of us and how our family's are doing. You are still my first and only true love Jimmy and I pray I'll have another some day. Thank you for all of the beautiful things you helped me see. Your forever etched in my heart Pap. RIP MY DEAR SWEET FRIEND.*

The Tasheuras family is terribly saddened by the passing of Jimmy. It is just heartbreaking trying to imagine how Nick, Maria, Jimmy's children and Johnny & Nicky and their families are coping right now. We will keep you all in our prayers, asking the Lord to wrap his arms around each of you so that he can provide the comfort needed during this sorrowful time.

While too many years have passed since our families have connected, please know that we love you all.

With heartfelt sympathy...

*Your cousins,
Nick, Lisa, Tia (Evanthea) & Demetrios*
