“ Jimmy I was so saddened to learn of your passing. I too have such fond memories of happy times at your parents house. Back in the late 70's early 80's we were there practically everyday. Playing cards, watching softball games at Capt Sam's or just hanging out. You and Paul were so close to Daddy and would carry on with him whenever you saw him. I hope he is with you now and you two are up to your rascality again. Funny I had not seen you in years and when I learned a few months ago you were moving just around the corner from us I was looking forward to seeing you around again. To your wife and children if there is anything you need please let us know. To David and Paul you are in our thoughts and prayers and we always here for you. Rest in Peace Jimmy - you were definitely one of the "good ole boys"

“ David and family, sorry to hear of Jimmy passing we will keep your family in our prayers. Growing up you think your cousins that you play with will be here longer than yourself but life has a way of proving us wrong. I am sure we all will be together again as we use to play up Granddaddy Lacey's years ago!
