“ *Dear Jimmy, You were the first nephew to be born in our family. We loved spoiling you. I cried so much when you left to go to Germany, cause that's where your father was stationed. I would turn around in the house and see something that you played with and the tears would start. Than you came back from Germany with that light blonde hair, and so cute. I remember you had a cast on your foot, but that didn't stop you. That's only one memory, I have plenty of them, but I won't mention them here. God bless you honey, I shall never forget you. I love you with all my heart and I will continue to pray for you. Love you forever, Aunt Margaret & Uncle Vince.*
