“ Ollie was one of the most generous people I have ever known. He was helpful in ways too numerous to mention to both myself and my family. He treated me like a daughter. His loss has left a profound emptiness in my heart. May he rest in peace.

“ Ollie left us in a hurry! There must have been something in Heaven he didn't want to miss! Maybe a tractor show, bluegrass concert or a church dinner! Ollie lived his life by his own terms. I've had the utmost respect for him since the first time I met him. He was the type of guy that would give you the shirt off his back. I was lucky enough to call him friend and witness the kind and generous ways he touched the lives of the people closest to him.

Ollie, you WILL be missed!
