“ Markus - I'll love you until my dying day. Im so glad you finally found the peace you always wanted. I already miss our calls, our coffee time and your reminders of our shows to watch. Im lost and I still don't know how to work the theatre. The world will not be the same without your big oversized heart. There are so many daily memories of you. My passwords all have your name in it and that will never change. Your hand prints on the walls. Everywhere I look - I see you! Im so glad you were such a big part of my life. You will be in my heart forever. I'm sure heaven just got a lot more exciting and the Redskins are going to the Super Bowl! Fly high Markus and I'll see you again one day!! Love you- Me!!! 💔
