“ *Jane was my sister-in-law and we've know each other for over 55 years. Janie loved her family especially her husband, Johnny. She loved having people over and feeding whoever showed up. She took after her mother, Thelma in the cooking department. She is in a better place now with her Johnny. Everyone will miss this sweet lady.*

“ *I miss those good times! Dancing in the kitchen with Janie and the family to old songs and country music! Her favorite song back then was Elvira, by the Statler Brothers. Whenever it came on she would say “OH Yeah!” and jump up and dance with whoever was the closest to her! I think of Janie and those fun years very often and every time I hear that song. Rest In Peace Janie.*
