“ *I am so sorry to hear of Jane's death. Jane was wonderful to work with at GSA and was so helpful from my very first day. Jane was a wealth of information and lots of fun too. We corresponded until the last year or two. She was also a very generous person and friend. I will miss her.*

“ My deepest and most heartfelt sympathies to the Groat family on the loss of their mother and grandmother. I wish you Peace to bring comfort, Courage to face the days ahead and Loving memories to forever hold in your hearts.

Jane and I were friends for 35+ years. We worked together at GSA and I did set aside a day to spend with her with each visit back to the Northern VA area for a "friends catch-up" time. I will truly miss my "old dear" friend. s/ Maggie
