“ *I will always cherish the memory of Jane cooking in the kitchen and her wonderful meals, her typing her weekly article for the local paper. Lara and I were often subjects in her stories! I loved hearing stories of her family farm in NC. She and her family took my sister and I in when we needed help and I am forever grateful. She will be missed. Tiffany Roark Lynch*

A belated message and much sympathy to you and your family. I will miss Jane as she was one of the nicest people I ever met. She and I had much in common with almost the same backgrounds and our love of history . She and I worked many hours together at the Mudd Home in Waldorf. I missed her very much when I left from the Mudd Museum although I tried to see her as much as possible. My sincere condolences.
