“*Jane Quigley was one of the most compassionate people I have ever met. We spent many weekends together with TSHS band events. I lived being around her gentle spirit! She would do anything for anyone!!! I am shocked and saddened with her passing. I know she will be missed by so many. She touched so many lives in Charles County and DE. May God watch over Jim and the girls.*

“ Mr. & Mrs. Quigley, "muffball & puffball", treated me as one of their own while I was in high school. After my mom passed away my sophomore year, I had trouble getting through my grieving, they lovingly took me into their home and showed me an unimaginably amount of love. I hadn't seen Mrs. Quigley for some time... Just 2 years ago I saw her right before Christmas... She and her family had bought gifts for my children and I. When I went to pick them up it was like I never left... She was still SO loving, caring, and giving! The love she showed for her children, grand children, husband, and anyone she met was amazing and one of a kind! I am truly thankful to have experienced her love! What an awesome example to try and live up to! Puffball, Marjie, Marie, & Michelle I am forever indebted to you for sharing Muffball with me and so many others. Let's celebrate this wonderful woman! Anything you need don't hesitate to ask! I know you'll don't like to ask for help but let myself and others carry the logistical and daily burdens for you so that you can begin the healing process! Much love and prayers!

“ Mr. Quigley, Michelle, Marjie, and Marie... Jane touched so many people and brought joy to us all. She was a wonderful wife, mother, grandmother, and teacher who will be greatly missed. I have fond memories of working with her during Destination ImagiNation tournaments and attending shows at the dinner theatre with her. My heart aches for you during this difficult time, but I know that Jane's love will live on. I also know that she is very proud of her beautiful family. ~ Love Always, Cynthia Brady

“ I am so very sorry to hear the sad news. I have known her for quite some time. She taught my oldest son when he was at T. C. Martin Elementary School. He is now 47. I am also a member of Our Lady Help of Christians Church where I would see the Quigleys a lot. My thoughts and prayers are with her family during this really sad time.
