“ Janet was a special lady. I hope she knew now much she meant to her family and her friends at Hawthorne greens. Perhaps she saw that love the day she turned 90 years young during COVID. Her neighbors gathered outside in her yard to celebrate her big day.Or perhaps she knew at her sunshine celebration where everyone came out to wish her well and say their final goodbyes.Her family made it a very special day and she was so happy.Amen for that.She will always be remembered with a smile on my face and memories of her humorous ways and always parting with a goodbye honey. RIP my friend.
