“ *Rest in peace sweet cousin Janet. We will all miss your kind, giving soul and positive attitude. This world challenged you in many ways but your strength and shining light always overcame. While daily life limited our time together, I will always cherish my memories of you, whether as children playing Dark Shadows or as adults listening to you and Bobby sing. I am sure you are in a better place and in no pain, reunited with your true love Freddie.*

To Erin and Lindsay, you are in our thoughts and prayers during this time. I know your mom has raised you to be strong women and carry on her legacy. You have a caring family around you to provide you support; embrace it and live your life as you know your mom and dad would both want.

Much love,

“ *I knew Janet for more than 15 years while was in Waldorf. I was working for a Foodservice company whom Janet purchased food for banquets from. She was fun to be around and always shared a joke and occasionally even made me blush. I also had the opportunity to rent Middleton Hall for a number of occasions and she was extremely professional and a pleasure to work with. She will be missed but I will always remember her smile and firendly expressions.*

“ Erin and Lindsay, you are both in my thoughts and prayers. Your mother was very kind and always eager to help. It's been years since I worked with her with the Prom planning and even more years since you were both in my class, but I remember so clearly how kind and thoughtful she was. Know that I will be thinking of you and will keep you close to my heart.
