A Personal Tribute from Ray Short:

Janet was the light of my life. She left this evil and at times, stunning world for that wonderful place she now calls home, Heaven. Our daughters and I lost a wife and mother who loved us deeply and completely every day of our lives. Janet loved both of her sisters dearly and missed them very much. Though separated by distance they spoke often. As our family grew and we became

grandparents and great grandparents, the visits from our family gave Janet so much happiness and joy. God has blessed us with a beautiful and talented family.

When Janet and I thought of Calvary Gospel Church it wasn't the building, it was all of the special people who loved and put up with us. You gave us opportunities to work, have fun, develop skills, worship with each other in music, ministry and prayer, and yes have our little spats that always gave way to forgiveness and an even closer fellowship. Janet loved all of you so much. Thank you for your friendships, your support, prayers, love and warm hugs you so freely gave to my precious wife.

I know for a fact that Janet would say to you all "it was a wonderful life, see you up there". I loved Janet so much. I cannot wait to see those big beautiful blue eyes and her smile. The site of which always left me speechless. I love you honey, you big beautiful doll!
