“ Jannette, you are near, even when I don't see you. You are with me, even if you are far away. You are in my heart, in my thoughts, in my life, always. You did everything with great love, and always saw the light in others. Oh, how you loved your family, friends and more importantly your Devoted and loving husband Russell and your beautiful daughter Jessica. You never forget someone who gave so much to remember. Every time I think of you my heart hurts. I miss you so. With you went so much of me. I look for you everywhere as you have done for me. You were worth every single moment. Thank you for sharing in the OHANA QUOTE Ohana means family and family means no one is left behind or forgotten. Thank you for your love. Thank you for sharing your belief in God. The greatest gift you could have given me. Thank you for our pranks, laughter and joy you brought into my life. ( it made me laugh) As we are left behind, your family in heaven is rejoicing in your homecoming. Your health has been restored. God Bless You. Peggy, I am so very, very sorry for your loss. We are all heartbroken. As you said, a piece of us went with Jannette. We will never be the same without her. But she is near! Again as you said her health has been restored. She was welcomed with open arms! She gave so much of herself to those she loved. And how she made us laugh! She loved you and Stephen and Roz so much. She talked about you so often. I knew she was the heart of your family and I pray her happiness will bring you and Russell and Jessie some peace. She will never be forgotten by Dick and I and our children. We ALL loved her. God bless the Tarbox and Bowers Family with His strength and grace. May we all find comfort knowing and remembering a life so well lived. Much love,

“ Jannette was one of the few people sent into this world to show the rest of us how best to live our lives. Her extraordinary kindness, generous spirit, amazing sense of humor and laughter, her creativity and most especially her fierce love for Russell, Jessica, her family and the countless number of us who called her our friend are only some of the qualities that made her one-of-a-kind. Like all her beautiful quilts and blankets, she enlivened us, ennobled us and enriched our lives beyond measure. Now she has returned to 'her people' - the Angels. And if there's a CTS on the other side, that's where we'll probably find her!

*You blessed my life in so many ways. Thank you, my dearest friend.*

“ I met Jannette when she was recommended to me by Kathy Perriello. She had been doing my hair from that day till we moved to Virginia. She was the reason that we now have two Yorkies. I'll never forget the day that Russell had driven to Florida and picked up the puppy that we were giving to our daughter. That began our devotion to Yorkies. I know it seems silly but whenever I look at Alexander I think of Jannette.

She was an advisor, a great listener and had a wonderful wit. Our family sends our deepest sympathies, as we completely understand how the family is feeling. We lost our son in a tragic mishap in May. It is, I am told, something that is never gotten over. One only learns to live with it. We wish you comfort and fond memories.

Thank you for letting us be a part of your lives.

“ Jeannette has been doing my hair since 1985 and I always enjoyed visiting her monthly to get caught up on what was happening in the county and with her family. She was very devoted to her family and I could tell she had a very special bond with Jessica. One of her favorite sayings was "it made me laugh!" And that is how she looked at life, she liked to laugh and she made others laugh with her stories. Another saying was "well, you know me" referring to a situation of when she spoke her mind. That is what we loved about Jeannette... You knew where she stood. She was there for a lot of people young and old for a lot of years and she will truly be missed. It's way too soon. Russell and Jessica may your memories sustain you.

“ Jannette will always be our cherished and treasured friend. She never missed a milestone of my family from my from wedding, to my children's Baptisms, First Holy Communions, Confirmation, etc. Jannette had this special ability to give everything perspective. She listened to the woes of everyone and always made the situation better. I loved learning about her most recent projects whether it was making blankets, cake pops, embroidered towels and bags, jewelry, or painting grout, Jannette was truly a gifted artist. We will always love you Ms. Jannette! Thank you Russell and Jessica for sharing her with us.

Forever grateful,  
Kathy Perriello, Joe, Joseph and Julie too!
