“ *Dear Chip, Dana, Carey, Kirk and extended families,*

*I can't tell you how much Jean meant to me. She was a wonderful mother-in-law and grandmother to my children. What a special lady. Try to find peace and comfort in the fact that she is in good hands now with the Lord and is again with her beloved Dutch. May her memories bring you peace and comfort. She will surely be missed by the entire Springston family.*

*You and your families are in our thoughts and prayers.*

*Our deepest sympathy.*

*Ronnie and Charlotte Miller and the entire Springston family.*

“ *Aunt Jean, aka Angie, was delightful and fun and so often and easily made me laugh, along with anyone else within earshot--and then she'd laugh right along with everyone else and it made us all laugh even more. She brought others such joy I loved that about her and I loved her.*

*My prayers for God's comfort especially to you, Chip and Dane. I'm only one of many who will sincerely miss your Mom. Condolences to Carrie and Kirk, Debby and Marsha, and your extended family and circle of friends. May your memories help sustain you during this difficult time.*

“Losing your mother is never easy, it leaves a hole in your heart that only time will heal. I didn't know you, but thank you for your two sons that you helped create. This world is a better place because of you and Charlie. You'll live on forever in our hearts because the values and virtues that you leave behind with your two sons Chip and Dana. They make it clear to see what kind of person you were. Time will fill that hole left in our hearts with good and funny memories. We will carry these memories for the rest of our lives, so you live on forever. Lord I pray you will welcome Jean with open arms and comfort her in your Kingdom of heaven, until we all meet again may she rest in peace amen
