“ I was saddened to learn today of the passing of a wonderful, kind and strong woman who served us all well. Mrs. Mincey Baker was a bright light at the Defense POW/MIA Accounting Agency (DPAA) and she served so selflessly. From the first day we met until her retirement, whenever I saw her she would unfailingly provide a hearty smile and a warm “dose” of encouragement to brighten my day.

For the family, and especially her beloved husband, please accept my heartfelt condolences and prayers of comfort during your time of bereavement.

Mrs. Mincey Baker, your time here with us was well spent, now is your time of rest. You will be missed.

*In fondest memory,
Fern Sumpter Winbush
Principal Deputy Director, DPAA*

“ Ms. Jeanette was an unfailingly bright spot for all of us here in DPAA. She always had a joke and a smile for me (and a piece of candy) and I'm very sorry to see her go. My deepest condolences for her family and loved ones.

“ I had the pleasure of working with Jeanette at DPAA. She was always a joy to talk to. I loved going to her office and listening to her stories while eating the candy she always had ready. She was fun and had the biggest heart. I will miss her.
