“ My sincerest condolences to all Jeff's family. I worked with Jeff at The Berkshire Eagle. He was always in a good mood, ready to work and have a good time at the same time. He was taken all too soon, but those of us lucky enough to have been in his "circle", will always remember his laugh and quick sense of humor. Rest In Peace, Jeffy.

“ You were such a wonderful man uncle Jeff and it makes me so sad we didn't get to spend more time together but the times we did spend were always fun! I remeber everytime you would see me you would take my head right between your belly and arm and hug me so tight and squish my face! The times you tricked me as a kid when you'd "steal my nose"! I'll always remeber the fun times when you were around! I will love and miss you always! Until one day when we meet again, you will be with me in my heart.
