

Jeffrey Lynn O'Neil

March 24, 1951 - September 27, 2024

Jeffrey Lynn O'Neil, known affectionately as Mimi, passed away on September 27, 2024, at the age of 73, in Indian Head, MD. Born on March 24, 1951, in Washington, D.C., Mimi was a cherished figure in her community and family.

Mimi's career in healthcare was marked by dedication and excellence. She began her journey at Hadley Hospital in 1972, where she served as the Radiology Department Head until 1993. She then continued her impactful work at Charles Regional Hospital until 2007, after which she joined the Washington Hospital Center as the PET/CT Department Head until her retirement in 2012.

Those who knew Mimi will remember her as the kindest soul, always ready to extend a helping hand. Her acts of kindness, such as rescuing a stranded family on the side of the beltway, are legendary. Mimi's generosity and love extended beyond her immediate family, touching the lives of many, including multiple "adopted" daughters who found in her a guiding light.

Mimi was also a passionate quilter and reader, hobbies that provided her with much joy and tranquility. Her love for quilting was only matched by her love for sharing this craft with her friends and family.

Mimi is survived by her daughters, Heather Dautrich and Holly (Steven) Zegalia; grandsons, William "Billy" Dautrich and Charles Zegalia; granddaughter, Rachael Zegalia; brothers, David Corey and Kelly (Patti) Corey; sister, Jennifer (Mike) Corey-Rooney; and multiple nieces and nephews.

She was preceded in death by her parents, William Schoenthal and Helen Schoenthal, Betty

Lee Corey, and Emory Corey; brother, Kevin Corey; husband Robert O'Neil; and grandson, Robert Dautrich.

In accordance with her wishes, there will be no visitation or memorial services.

A family and friends' remembrance of life will be scheduled to honor Mimi's memory. Her legacy of love, compassion, and kindness will forever be remembered by those who had the privilege to know her. In lieu of flowers, donations can be made to Potomac Heights Volunteer Fire Department or Lombardi Cancer Institute at Georgetown.
