“ Jennifer is my best friends daughter. I've known her since she was in diapers. She and my daughter LeeAnne grew up together. They we close friends. Always there for each other. The thought of never seeing her or talking with her is a pain like no other. I can see that smile and her that laugh. Her saying Hi Auntie. She has touched so many lives in so many ways. I do not think she had any idea the impact she had on people. I miss her so much. I live in Nevada it's not that we spoke all the time. She usually made every effort to see me when I came back east. But the knowing that I can't talk to her anymore just doesn't penetrate my brain. It does not seem real. It's like a bad dream. We all have great memories of her and will cherish them forever. My heart hurts for Arlene I can not imagine the pain she feels with this loss. Jennifer, just know how much you are loved and missed. You have a place in my heart always.
Love you sweet girl

“ It is a shock to learn of this. I only knew Jennifer from times she was fishing and crabbing along the waterfront of Hollywood Shores, MD. It was always a delight to talk to her and we will miss such encounters. Her enthusiasm and outlook will be missed. She was a very nice person.

“ I am so sorry for the loss of Jennifer --- we just learned of her passing today. She was an acquaintance of ours "down on the waterfront" at Hollywood Shores. We had many times to meet and talk while fishing and crabbing. She was always so helpful and caring. We loved seeing her fishing on the shores of the Patuxent River. I am an older member of the community and she always "looked" after me when I was fishing down there.....and always offering to help. I cannot believe this sad news. My greatest sympathies to her family and dear friends.
