“ *Jennifer you are in my prayers. It saddens me that you are gone. Even though time and distance had come between us , I will always cherish our childhood memories of playing on the farm together. Love your cousin Candy*

“ *Not a day will go by that I will not think of you and your wonderful smile. There have already been several times I have picked up my phone to text you, a question I needed to ask you. Just to remember your not on earth with me any longer. Feel no more pain my Love. Watch over our 3 boys. And know you will be missed until we meet again!*
Love. Your Big Sister
